RAB

5th Global Conference
on Robotic Assisted Bronchoscopy

MADRID - SPAIN
March 15th -16th, 2027

SPONSOR PROSPECTUS

Updated 19.11.26

WELCOME TO RAB 2027

From Robotic Bronchoscopy to Robotic Lung Intervention

As robotic bronchoscopy continues to redefine the landscape of interventional pulmonology, RAB 2027 will explore the latest advances and future directions of this rapidly evolving field.
On March 15–16, Madrid will provide the setting for two days of scientific exchange, practical learning and discussion on the expanding role of robotic technologies in lung intervention.
RAB 2027 will bring together experienced centres and teams at different stages of development to share expertise, strengthen collaboration and shape the future of the field.
Under the theme "From Robotic Bronchoscopy to Lung Intervention", this year's meeting will explore the evolution of robotic platforms beyond diagnosis, with a focus on building successful multidisciplinary programs, integrating new technologies into clinical practice and advancing emerging therapeutic applications, including transbronchial ablation.
Through scientific exchange, practical education and shared experience, RAB 2027 aims to turn innovation into progress and foster a more integrated, precise and patient-centred approach to lung intervention.
Following the outstanding success of its previous edition, we are delighted to bring back **"RAB – The Game"** this year.
This interactive competition will run throughout the congress, engaging participants in a dynamic challenge designed to test and reward their theoretical knowledge, technical expertise, decision-making skills, and performance on robotic platforms.
Through a series of competitive activities, participants will have the opportunity to showcase their skills, put their knowledge into practice, and engage with the latest advancements in robotic technology.

We look forward to welcoming you to Madrid to learn, connect and advance the field together.

INTERNATIONAL SCIENTIFIC BOARD

Michela Bezzi, Erik Folch, Stefano Gasparini, Felix Herth, Kyle Hogart, Kelvin Lau, Calvin Ng, Michael Pritchett, Pallav Shah

HOSTING ORGANIZING COMMITTEE

President
Javier Flandes

Members
Miguel Ariza, Carmen Angela Centeno Clemente, Javier Pérez Pallares, Borja Recalde

2027 SPONSORSHIP

This year, RAB 2027 aims to deliver an even more engaging and comprehensive experience for companies and sponsors. Our sponsorship packages are designed to offer a balanced mix of visibility, on-site and on-the-ground presence, direct interaction with participants and opportunities to connect with guest delegations.
Furthermore, we offer a wide range of customizable sponsorship opportunities and tailored integrations, allowing each partner to maximize their visibility and create a sponsorship experience aligned with their goals and expectations.
We will have plenty of opportunities to further tailor your participation through dedicated contacts, calls and meetings with our team. Please get in touch with us!

CONFERENCE HIGHLIGHTS*

• The Fifth edition: a growing European family, connected with leading US centres.
• Building a robotic bronchoscopy centre: a step-by-step roadmap - integrated imaging
• Multidisciplinary teamwork
• Training the next generation through hands-on experience.
• Beyond diagnosis: surgical localisation and emerging transbronchial ablation.

*Updates of the program will be available at www.robotic-rab.com

EXPECTED PARTICIPANTS

- 150 Single participations (Interventional pulmonologists from Spain, EU, USA, and Asia)
- 30 Sponsor medical delegations
- 35 Board and Faculty (International KOL in Interventional pulmonology)

Interested Physicians and healthcare Professionals will be actively involved in participating at RAB 2027 through a series of dedicated initiatives: collaboration with Spanish and international Scientific societies, cooperation with our Faculty and their work structures, mailing activities through dedicated mailing lists, LinkedIn campaign, Newsletter, Site updates etc.
Our focus will be on Interventional pulmonologists, respiratory Physicians and a good number

of Residents, together with healthcare professionals involved with the many aspects of RAB 2027 Scientific Program.

SPONSORSHIP

GOLD SPONSOR 35.000 EURO

- Company Logo as Gold sponsor on communication materials (Papers, site, social channels, congress area panels)
- Dedicated Double exhibition area
- Dedicated 30 min symposium with a 50% discount
- Opportunity to present recorded case and select the speaker in plenary session (15 min) OR Lecture 15 min in Plenary Room
- Participation of 2 industry attendees during the Congress dinner
- Complimentary registration for up to 5 industry attendees
- Complimentary registration for up to 5 selected medical professionals
- Location for hands-on demos - priority of selection
- Participation in “RAB – The Game”

SILVER SPONSOR 25.000 EURO

- Company Logo as Silver sponsor on communication materials (Papers, site, social channels, congress area panels)
- Opportunity to present recorded case and select the speaker in plenary session (15 min) OR Lecture 15 min in Plenary Room
- Dedicated Single exhibition area
- Participation of 1 industry attendee during the Congress dinner
- Complimentary registration for up to 4 industry attendees
- Complimentary registration for up to 4 selected medical professionals
- Location for hands-on demos
- Participation in “RAB – The Game”

BRONZE SPONSOR 15.000 EURO

- Company Logo as Bronze sponsor on communication materials (Papers, site, social channels, congress area panels)
- Dedicated Single exhibition area

- Complimentary registration for up to 3 industry attendees
- Complimentary registration for up to 3 selected medical professionals
- Participation in "RAB – The Game"

ENTRY-LEVEL SPONSOR 5.000 EURO

- Company Logo as Sponsor on communication materials
  (Papers, site, social channels, congress area panels)
- Complimentary registration for up to 2 industry attendees

ADDITIONAL SINGLE FEES

- Exhibition area (limited availability) € 8.000
- Lecture 15 min in Plenary Room (limited availability) € 7.500
- Location for hands-on demos (limited availability) € 9.000
- Hands-on webinar – possibility of organizing
  a preparatory webinar open to anyone interested
  in the topic, including both future participants
  and clinicians interested in the subject matter.
  The webinar can be held up to 10 days before the event. € 3.000

- Dedicated 30 min symposium (limited availability) € 10.000
- Company Logo on badge laces (exclusive) € 5.000
- N. 3 coffee break sponsorship -
  posters with Logo (max 5 sponsors) € 5.000

PARTICIPATION FEES

Participant type	Early Bird* (€)	Regular** (€)	Late*** (€)
Practicing physicians	300	400	550
Fellows, nurses, and allied healthcare professionals	130	180	300
Industry non-sponsor	975	1200	1500

Amounts in Euro, VAT 22% included

Participation fees include:
Attendance to all scientific events
Access to the exhibition area
Coffee and Lunch Breaks according to the program

*Until 15th December, 2026
**After 15th December, 2026
***After 15th February, 2027
